### ULTRASTINGER® FAST CHARGER

No time to waste? The Fast Charger lets you charge your UltraStinger in just 2.5 hours, one quarter of the time required for standard charging. The existing Stinger Fast Charger will also work with the new Stinger HP and Stinger XT HP

### STINGER® PIGGYBACK® CHARGER

Double your battery power! Now you can charge your Stinger flashlight while simultaneously charging its spare battery. The Stinger PiggyBack Charger works with Stinger, Stinger HP, Stinger XT Stinger XT HP, as well as PolyStinger. Available in Steady Charge or Fast Charge.

### ULTRAHEAD UPGRADE KIT

This converts your Stinger and Stinger XT flashlights into HP High Performance Stingers increasing their candlepower from 15,000 to 40,000.
